"Every recognition, award, and achievement has shown my daughters that with dedication, anything is possible."

I've always dreamed of having a job that would give me the freedom to watch my daughters grow, travel, and enjoy meaningful time with my family, and that's exactly what I found with Nice & Bella. What started as a search for extra income quickly turned into something so much bigger, an opportunity that would change my life. By simply showcasing the products and sharing the business whether in person or on social media I've been able to build a business that works for me. With my online store, I promote and sell internationally, all while working primarily from home and keeping my daughters by my side. Thanks to Nice & Bella, we've traveled across the U.S., and every recognition, award, and achievement has shown my daughters that with dedication, anything is possible. Being a Nice & Bella Mom has truly transformed my life. It's helped me grow personally, live with purpose, and dream bigger. Today, I lead a team of brave, entrepreneurial women who are building their own success, just like I did. **Together, we're proving that when there's action, passion, and purpose, dreams have no limits.**

“One of my biggest blessings has been seeing how much my 4-year-old son, who is autistic, enjoys using our oils”

I started my Nice & Bella business three and a half years ago with one goal: to give my children a better life. Since then, I've earned five incredible trips, but **the greatest gift has been the opportunity to lead a team of strong, inspiring women through faith and dedication.** That's why I invite you to be part of this journey. It's more than a business. It's a lifestyle that empowers us as women and brings joy to our families. One of my biggest blessings has been seeing how much my 4-year-old son, who is autistic, enjoys using our oils. He's been around them since he was very little, and they've become a comforting part of our everyday life. I recommend them from the heart, not only for daily use, but also as a meaningful way to grow your business and share the beauty of aromatherapy with others.

“I own my time, and best of all, I'm the one who takes my kids to and from school every day”

This opportunity completely changed my life. I used to work in a factory with no room to grow, but this business helped me unlock my potential and grow both personally and professionally. Through hard work and consistency, I've earned amazing rewards like trips to Riviera Maya, Las Vegas, Dallas, and even a brand-new car. My biggest achievement is being my own boss for the past five years. I no longer work for anyone else, I own my time, and best of all, I'm the one who takes my kids to and from school every day. My advice to anyone still on the fence, don't overthink it. **Give yourself the opportunity, it could change your life like it did mine.** Drinking the Matcha Green Tea daily gives me a boost of energy, supports my overall wellness, and helps me feel balanced. I especially enjoy it cold with ice during the warmer months. I also love having the Rooibos Red Tea in the evenings, as it helps me relax and supports a more restful sleep. My clients can't get enough of these teas. They keep coming back, not just because they enjoy the taste, but because they truly feel the difference in their day.

Make unforgettable memories!
