## Cebera Cebrero Gold, Platinum

*"I have time freedom, I travel, and I'm working toward my own goals, not someone else's"*

I was stuck in a traditional job that was draining me, with no time for myself or my family. I was working hard to build someone else's dream while putting mine on hold. When I discovered Nice & Bella, I realized I didn't have to wait for a paycheck every Friday, I could earn daily and take control of my future. Just five months in, I made the decision to go all in, and everything changed.

I've earned bonuses without even realizing I qualified and had the chance to travel to Dallas and Vegas, enjoying exclusive experiences that helped elevate my business and fuel my passion to keep growing. Today, I can confidently say I'm never going back to that old life. I have time freedom, I travel, and I'm working toward my own goals, not someone else's. If you're thinking of starting, don't hesitate. And if you're already in, it's time to take action. This works; you just have to decide to make it happen.

## Erika Janet Vargas Gold, Platinum

*"This business became my therapy and my happy place."*

Nice & Bella came into my life at the perfect time, just when I was searching for something bigger and a chance to grow without limits. I've been in this industry for 16 years and am passionate about sales and leadership. From day one, Nice & Bella changed my life. Through hard work, dedication, and commitment, I've earned trips, bonuses, and so much more and we're just getting started. As a mom of two little princesses, married to my high school sweetheart, I feel proud to work from home, be present for my girls, and build a career I love.

This business has blessed my family in incredible ways. If you're holding back because of fear or something difficult you've been through, I understand. After losing my mom, this business became my therapy and my happy place. I stay focused on the positive and move forward with faith. My daughters and husband are my biggest motivation, and I know God is with me every step of the way. Give yourself this opportunity. You deserve it.

## Claudia Patricia Cruz Gold, Gold Expert

*"Nice & Bella didn't just change my finances, it transformed my future."*

I was searching for more than just extra income. I wanted something that truly reflected who I am, something that aligned with my passions and brought me joy. That's when I found Nice & Bella. What began as a simple opportunity has become my life project in this country, a journey filled with purpose, growth, and endless possibility. Every opportunity the company offers feels like a step closer to the goals I once only dreamed of.

Nice & Bella didn't just change my finances, it transformed my future. It connected me with the right people, gave me the confidence to believe in myself, and the tools to build something truly my own. That's why I wholeheartedly encourage others to take that first step, start your own jewelry business, blend it with your daily life, and begin creating a future full of confidence, beauty, and success.
