NICE & BELLA JEWELRY WARRANTY

All jewelry requires delicate handling and care. With time, jewelry may luster, and with continuous use can show evidence of abrasions, scratches and changes in color.

NICE & BELLA jewelry is manufactured using the highest quality materials and craftsmanship. This enables us to provide a full, one-year warranty from date of purchase, against manufacturing defects.

The warranty does not cover normal wear and tear, accidental damage, misuse or abuse, or evidence of damage to the jewelry, such as: breakage, scratches, abrasions, loosening of pearls or stones, or any kind of changes in the jewels due to use of chemical products.

Important: rings and seven-bracelet sets are pieces that by the nature of their use can show evidence of excessive wear over a short period of time, and as a result, these products are exempt from warranty. Therefore, it is recommended that they are worn and cared for accordingly.

Proof of purchase will be required in order to validate this warranty.

GARANTÍA DE LA JOYERÍA NICE & BELLA

Las joyas requieren de cuidados delicados, ya que con el tiempo pueden deteriorarse, presentando raspaduras, rayaduras o cambios de color, ocasionados por el uso habitual de las piezas.

La joyería NICE & BELLA está elaborada con materiales de excelente calidad y especializada mano de obra, por lo cual está garantizada por un año contra defectos de fabricación.

La garantía cubre exclusivamente la mala adherencia del recubrimiento del metal (oro, rodio, rutenio, etc.), es decir, cuando se desprenden las capas del metal de la pieza (descarapelado). **Sin embargo, no cubre daños ocasionados por el desgaste normal, negligencia o uso inadecuado de la joya, síntomas de maltrato como raspaduras, rayaduras, desprendimiento de perlas o piedras, o alteraciones por uso de productos químicos.**

Importante: Los anillos y semanarios son piezas que por la naturaleza de su uso pueden presentar desgastes excesivos. Le recomendamos cuidarlos y usarlos adecuadamente. En sus manos está la responsabilidad de prolongar el tiempo de vida de las joyas.
